SUBJECT: Interagency Coordination of Economic Measures  
toward Libya (S)

Friday's  
At ~~xxxxxx~~ CPPG meeting on Libya it was decided that the Libya Task Force sub-group on Economic Measures should be reactivated. The group would monitor and coordinate implementation of existing measures as well as those being undertaken as follow-up to the Tokyo Economic Summit. In the past, this group has been co-chaired by State and NSC. Elaine Morton is now the NSC action officer for Libya and North Africa and will represent the NSC as its co-chairman. (S)

The CPPG requests that, as a first priority of business, the sub-group frame a public and congressional affairs strategy geared to the June 30, 1986 deadline for the cessation of U.S. oil company activity in Libya. (S)
